Barton Auto Exchange to Do Large Business.

The Barton Auto Exchange is the name of a new concern in town which promises to become the leading automobile concern in the southern part of the county and one of the largest in the entire county.

The name "Auto Exchange" must not be construed as meaning necessarily an exchange mart for automobiles because the concern will handle several lines of leading cars including the Chevrolet and Dord. Orders for nearly 50 Chevrolets have already been placed and a carload of Dords are expected in this week.

The line will include the Four-Ninety, the Baby Grand, the Chevrolet-Eight, Chevrolet trucks and closed cars. Prices, size, weight and style requirements of all can be found in the line. Headquarters of the concern will be in the building near the Peerless factory formerly occupied by the Crystal Lake livery. Alterations will be made and the place put into first class shape.

Besides the Chevrolet cars a complete line of Chevrolet parts will be carried. The agency for these cars, as well as the Dord, is a county agency but sub-agents will be appointed in the north end of the county and the agency for other cars is expected to be taken on by this concern.

Ray P. Webster is proprietor of this new concern and Fred J. Jarvis will be manager. The men behind this concern assure its success.

LOAN GOING STRONG

Orleans, Irasburg, Morgan, Troy and Glover Raised Victory Loan Quotas.

M. M. Taplin of Orleans, county chairman of the Victory loan reports splendid progress on the loan and is able to report five of the places in the county already "over the top."

Orleans was the first place to report its quota taken, in fact Orleans was the first place in New England to be officially reported as having raised its quota, a distinction of which that place and the loan chairman, C. V. Willey, may well be proud.

Other places in the county who reported their quotas raised up to Wednesday morning are Irasburg, Morgan, Troy and Glover, and most of the other towns report good progress, though some places were hindered on the start by not having received the official pledge cards.

The town quotas and chairmen are given below, the starred places having already subscribed the full quota named.

The adjourned annual meeting of the Barton Improvement club was held at the home of Mrs. C. C. Cassidy, vice president; and A. W. Buswell, secretary and treasurer. It was voted to conduct a lecture course another season.

Miss Fanny May is chairman of the Woman's Victory Loan organization

Thompson Made Supreme Court Reporter.

Frank D. Thompson of Barton has been appointed reporter of decisions for the supreme court of Vermont for the five justices of that court, of which Judge W. W. Miles of Barton is a member. He succeeds Sherman R. Moulton of Burlington, recently elected a member of the superior court of the state. John W. Redmond of Newport was reporter before Mr. Moulton. The position is one of great responsibility and a position held at some time by a number of the leading jurists of Vermont.

Mr. Thompson came to Barton in 1906 from St. Johnsbury, where he had practiced law from his admission to the bar in 1899. Since coming to Barton he has been judge of the Orleans county municipal court, and is now state's attorney for Orleans county. Mr. Thompson is the son of the late Judge L. H. Thompson of Irasburg, in which town Frank was born in 1876.

Telephone Troubles Ended.

The telephone strike which started in Boston the first of last week, spread over nearly all of New England, at last reaching the old Paspumpic division, where the trouble men and linemen went out Thursday night to restore service.

Exchanges in only five of the 19 exchanges in the territory formerly occupied by the Paspumpic territory went out on strike. These five exchanges and the time of the cessation of service were as follows:

Island Pond and Norton at 7 a. m. Friday.
Newport at 7 a. m. Saturday.
St. Johnsbury at 6 p. m. Saturday.
Lyndonville at 9 p. m. Saturday.
The strike was settled Sunday night and operators and men returned to their work Monday morning.

WAR EXHIBIT TRAINS SATURDAY

Four Cars of Captured German War Trophies Coming to Barton.

The government is sending a war exhibit train to Barton Saturday. It will be on the side track near the freight house from 10.15 to 12.15 on Saturday and everyone is invited to see the exhibit which will be entirely free.

The train will consist of three flat cars, one box car, and a tourist sleeper. It will be loaded with heavy guns, trench mortars, flame throwers, rifles, and a large variety of equipment taken from the enemy on the field of battle.

On the train will be five military guards, three railroad men and eight speakers and bond salesmen who will address the meetings held in connection with the train visit.

The train will carry 250 aerial bombs, one or more of which will be fired from one of the flat cars as the train moves into town, heralding its approach.

If you visit this free government war exhibit train you will see arms and ammunition, guns and projectiles big and little, trench mortars, hand grenades, gas masks, soldiers' clothing of various kinds, naval depth bombs for sea wolf submarines, and much else, all of which will be explained by experts.

You will also see German trophies right from the battlefields of France, captured by our fighting lads across the sea.

Don't miss this great exhibit which comes to Barton by special train in order that the people of this entire community may see for themselves something of the war which cannot be seen in any other way.

It is expected that the places of business in Barton will close from 10.15 to 1 o'clock in order that no one shall miss this interesting exhibit.

The Barton band will be out and every man, woman and child in the south end of Orleans county should visit this wonderful exhibit.

The train visits Orleans and Newport, the schedule being as follows: Friday, at Newport 7.40 o'clock p. m. Saturday, at Newport 7.30 a. m.

Saturday, at Orleans at 7.50 a. m. Saturday is, Orleans 10 a. m. Saturday at, Orleans 10.15 a. m. Saturday is, Barton, 12.15 p. m.

year ago, was employed as instructor in a government automobile mechanical school in Burlington for a time and has been in the Barton Savings Bank & Trust Co. for several months. The position offers splendid opportunities. Mrs. Paige expects to go to Akron in the near future.

The meeting of the Woman's Literary club was held with Mrs. E. R. Cook on Wednesday evening, April 16. Subject, "Great Men of the Past." Roll call, "Patriotic Quotations." Paper, "Politicians," written by Miss Annie Wright and read by Miss Butler; paper, "Writers," Miss Burgess; piano solo, "The Chapel in the Mountains"—G. D. Wilso, was given by Mrs. Cook. A pleasant social hour followed the meeting.

The H. M. Gardiner goods left Barton Tuesday for Whalonsburg, N. Y., accompanied by Ross Wright. As a token of good will and esteem the employees of the Peerless factory where Mr. Gardiner has been foreman of the cutting room nearly five years, presented him with \$10 in gold. Mr. Gardiner was the first cutter in the local Peerless factory, but was away several years, returning about five years ago. Neil Gardiner will remain in the school year out in order to graduate with the senior class of which he is president.

Several friends of William F. Clark, formerly of Glover and assistant judge of the Orleans county court, but now of Geneva, N. Y., have received copies of a booklet of about 60 pages containing several war poems by Mr. Clark and a brief history of the military company from Geneva.

The leading poem is "The Charge on the Hindenburg Line." Of this poem a prominent attorney writes Mr. Clark, "Geneva is a fine city and to be mayor of that city for a couple of terms is no small honor, but to have written this remarkable poem is to my mind far greater distinction than to serve as Geneva's highest executive for a decade."

Mrs. Helen Dutton who has been with her aunt in Albany, is spending a few days in town.

FARM BUREAU NOTES

There will be a Farm Bureau meeting at West Albany next Monday night. It was originally planned that several N. E. M. P. A. meetings should be held next week but as Mr. Currier cannot be present they will not be held. At this meeting in Albany a program of work will be drawn up for the community. Every live farmer should be there. He knows what is needed to improve farming conditions. Why not get out and tackle problems right and organize a community Farm Bureau.

There will be a meeting at North Troy, Wednesday night, April 30th, to discuss ways of town improvement. Prof. M. B. Cummings of Burlington will discuss the seeding and care of lawns and other features for cleaning up a town. The county agent will speak briefly.

Newport Organizes Community Farm Bureau.

The farmers and housewives of Newport community have a Farm Bureau program in charge of a committee. This is the result of a meeting at the home of W. B. Heyer on April 18th. Farm Bureau work was discussed at this meeting and community problems brought to light. The program adopted was as follows:

"Obtaining Better Short-Time Credit," in charge of A. E. True.

"Draining Our Low Land," in charge of F. J. Libby.

"Boys and Girls' Club Work," in charge of Mrs. H. F. F. Johnson.

S. W. Richmond was appointed as community Farm Bureau chairman and Mrs. A. E. True community Farm Bureau secretary.

Westfield Organizes to Ship Livestock.

Mud will sometimes hold up business but it failed to stop the enthusiasm of six Center farmers Saturday night when they made the trip to Westfield to talk over the cooperative shipping of livestock with the farmers of that town. J. W. Lunna, chairman of the Center Livestock committee, took charge of the meeting and briefly explained the object of this gathering. He then called on P. S. Niles and E. N. Connal for further discussion. The county agent and J. E. Carrigan of Burlington spoke briefly. The Westfield farmers expressed the opinion that this was a good move and put themselves on record as in favor of electing the following committee to be in charge, Paul Longevin, chairman, L. R. Miller and Elmer Stetson. After the meeting the Center committee and Westfield committee got together and discussed plans for running a survey early in May to determine how much livestock will be available to ship during the coming year.

Does Your Soil Need Lime? A soil testing apparatus has lately been installed at the Farm Bureau office in Newport. It will be possible to tell with this apparatus how much lime is needed to sweeten up sour soils. The county agent will be glad to test any samples of soils which are sent in provided the men who send in these
